

Mike Russell

Stage Requirements

Stage Requirements:

A suggested minimum stage size of 16 feet wide by 8 feet deep and 2 feet high.

The stage shall be stable and (if possible) interlocked.

Stage steps should be directly accessible to the audience from the front of the stage, if possible, or from each side of the stage.

A table approximately 4 feet long shall be provided on stage for the artist's props; and a second table approximately 6 feet long shall be provided along the side of the stage, to be used by the sound technician.

If the purchaser wishes to have a podium on stage, it should be removed prior to the artist's performance.

Lighting:

The artist will coordinate stage lighting with the venue. The audience can be in 1/4 to 1/2 illumination. A follow spotlight and operator can be provided.

Sound Requirements:

A sound system will be provided by the artist, or will be coordinated with the venue. The artist prefers a sound check at least one hour prior to the show.

Dressing Room:

If overnight hotel lodging is not provided, a secure on-site room for Mike (& his staff) shall be provided for use prior to and following the performance.
